

# Accessing treatment abroad

## Governing legislation at a glance

FEBRUARY 2024

*As a resident in the EU, Iceland, Liechtenstein, or Norway (EU/EEA) with healthcare coverage, you have the right to medical treatment in any other EU/EEA country. Your country of residence will cover part or all of your medical costs. Contact your country's National Contact Point to find out about your patient rights and get all the information on the documents and the procedures to be followed.*

For more information, see [Frequently Asked Questions for outgoing patients](#). Information about rules for social security coordination with the UK can be found [here](#).
